# What our clients are saying

**Segev Zadok,  
Zadok Jewelers**

“We would recommend them to any business of any size, big, medium, or small, and we have used them for over a decade.”

**Michelle Coopwood,  
Corner Entertainment**

“It doesn’t matter if I have a problem with my computer, my website, or I need an electrician, I call Clint; he really is Your Business Solutions.”

**Brenda James,  
Network In Action, North**

“I have worked with Clint for years. His team has fixed problems for me and Clint offers valuable advice when I need it. I trust Clint to fix my IT issues and steer me in the right direction.”

**Monica Sowards,  
380 McKinney C&D Landfill**

“YBS has been very receptive to all our growing IT needs. Tammy D. has been instrumental with special projects from the idea to implementation and execution. We enjoy working with Tammy for all our onsite installs and future expansions.”

**CHRIS REYNA  
Lone Star Engineering**

“Five stars! Justin was great! He was knowledgeable and helped us get a NAS setup when other IT guys weren't able to. Thanks Justin!”

“YBS has been a great company to work with. Any question I have, they are always prompt and extremely efficient in letting me know what causes any issues, keeping the line of communication open and making my life easier if I ever have any troubles go wrong with my computer. You don’t realize how much you need a company like YBS until you have them!”

**Lindsay Klein,  
Executive Assistant,  
Stuart Pressure Control**
